## Strategic Leadership & Data Architecture (2024 – 2026)

---

**Mariano Espagnol** | *Senior Technical Architect, Analytics & Data Science*

"Mudit distinguishes himself not only through his technical proficiency but through a deep-seated curiosity and critical thinking that allows him to see beyond the immediate task. He is a master of data architecture and mapping, possessing a unique ability to structure complex data environments for long-term scalability."

**Madhav S.** | *Vice President of Sales | GTM Strategy | Salesforce Professional Services Leader*

"He led a critical redesign of the ETL architecture, unifying data across multiple Salesforce orgs and implementing a layered staging framework. What sets him apart is his ability to think beyond tools and design scalable, governed data foundations aligned to long-term strategy."

**Abhishek Vasavada** | *AI Deployment Strategist, Forward Deployed Engineering at Salesforce*

"Mudit has consistently demonstrated exceptional expertise... particularly for customers in highly regulated industries. He navigates complex data architectures, event monitoring, and identity verification workflows with ease, always finding innovative ways to extract meaningful insights from intricate data environments."

**Alex Yalamas** | *Sr. Director – Portfolio Services Leader*

"Mudit consistently demonstrated strong analytical skills and the ability to translate complex business needs into effective, scalable Salesforce solutions. These analytics and dashboards became critical tools for leadership, transforming how sales teams tracked pipeline and made data-driven decisions."

**Andrew S.** | *Senior BI Developer II at Samsara*

"His ability to design, build, and optimize analytics solutions consistently resulted in clear, actionable insights for stakeholders. He has a deep understanding of data architecture, performance optimization, and AI/agentic design, and he approaches complex problems with both precision and creativity."

---

## Management & Execution Excellence

---

**Jennifer Burgin** | *Senior Director, IT Application Development, Salesforce COE*

"Everyone loved working with Mudit for his cheerful manner, intensive listening and brilliance with data and technology. He gets to the essence of the business issue and is incredibly knowledgeable. The insight the business gained was invaluable as the organization grew at a lightning rate."

**Brooke Mohnkern** | *Salesforce CoE Advisor*

"Working with Mudit produces miraculous outcomes. He routinely demonstrated a passion and commitment to problem solving that blended deep subject matter expertise with flexibility and open-mindedness."

**Ahesanali Mashi** | *Director, India Lead, IB Operations & Market Regulation @ UBS*

"Mudit is very creative and thoughtful in his approach to problems. He believes in perfection and does not give up until he achieves what he has thought of to deliver. His delivery is beyond expectations."

**Jay Vadodaria** | *ITSM Manager | ITIL Certified*

"The best part about him is his Business understanding. He has a perfect ability to understand the problem and always gets it from the Client's perspective. He balances work responsibilities with a healthy sense of humor."

## Core Foundations & Early Career

---

**Vibhor Garg** | *SVP, Group Delivery Manager at Citi*

"I have very high regards for his performance. He has an all-round personality. Knows things technically, good communication, understands the bigger picture, and is very client-focused. Customers always had praises for his work."

**Manik Bansal** | *Sr. Manager Data Analytics at Optum Global Solutions*

"Mudit played a key role in implementing BI tools for HP. He is very customer-oriented and always striving to achieve beyond expectations. I highly recommend Mudit."

**Shabana Benazir** | *Digital Transformation and Change Lead*

"Exceptional technical/programming skills combined with strong leadership qualities. A quick learner and very proactive... not hesitant to go the extra mile to meet deadlines."

**Ashish Kothari** | *Vice President*

"Mudit is a person who has the persona to make things change. He has great vision and is very sincere to his work. Apart from excellent technical skills, he has fantastic people management skills. He is a true leader."
